

Dear School Principal,

We are pleased to inform you that your student _____ has elected to participate in the Georgia Kiwanis Student Leadership Retreat. This a weekend leadership training conference in the concepts of service leadership. The five principles that will be dove into are Integrity, Respect, Personal Growth, Community and Excellence. This event, previously known as “Key Leader Weekend” has proven to be life-altering and a game-changer for both, students who are currently outgoing and those who are/were more reserved amongst their peers. You can discover more information at www.key-leader.org. you can also visit our Georgia District Kiwanis site at <http://www.georgiakiwanis.com/student-leadership-retreat.html>.

In order to fully participate in this educational experience, your student will need to e dismissed for all or part of school on the Friday of the GDSLRL weekend. If selected to be a Student Facilitator, students are required to be at eh campsite by 2:00 p.m. for their afternoon training. If attending the event as a participant, students will need to be at the camp for registration between 4:00-6:00 p.m. The time they will need to leave school will obviously depend on your location relative to the camp--Currently, Georgia FFA FCCLA Covington, GA.

If there are any questions regarding this request, you can contact our local Kiwanis representative, who assisted the student in registering and paying for this opportunity, or you may contact our office as listed below.

Thank you in advance for assistance in this matter in making students into leaders. Please check in with this outstanding student after the weekend to see the materials they received and ask them about their experience. It will mean the world to them!

Sincerely,

Linda Robles (Ro-Bless)
