ABOUT THE FOUNDATION

The Georgia District Kiwanis Foundation (GDKF) allows Kiwanians to work together to fund efforts that might be beyond the financial ability of individual Kiwanians and Kiwanis Clubs.

Because of the support from individual Georgia Kiwanians and their local Kiwanis Clubs, the GDKF has proudly funded many worthwhile efforts that agree with and support the six (6) objects of Kiwanis International.

What we do annually:

- Provide matching funds, in the form of grants, to local clubs
- Provide scholarships to winners at the GA District Art & Music Showcase
- Help fund training for GA District Circle K and Key Club Leadership
- Provide matching funds to the GA District Raffle that are then donated to District Projects

INVITE US!

Please invite us to speak as a Guest Speaker to your club. We'd be glad to send a member of the Georgia District Kiwanis Foundation to speak on our behalf about the impact we are making in Georgia and to give more information about grant opportunities that can benefit your club projects. WHO IS ELIGIBLE FOR THE AWARD?

Any person who demonstrates the spirit of Kiwanis as exemplified by Henry C. Heinz by exhibiting outstanding dedication and commitment to helping children may be honored by this award. This award can also be given in Memory of said person and given to the recipient's family.

The donation may come from an individual, a Kiwanis Cub, a Division, or any other group of Kiwanians.

WHO WAS HENRY C. HEINZ?

Henry C. Heinz was born in Connecticut and moved to Atlanta with his family when he was a young boy. He was educated in Atlanta, attended Atlanta Boys High School (now Grady High School), and Emory University. Henry married Lucy Candler, the only daughter of Asa Griggs Candler - founder of Coca-Cola.

Heinz was a very successful banker as Director and Vice President of Citizens & Southern Bank in Atlanta. He was one of the driving forces behind Scottish Rite Hospital (now Children's Healthcare of Atlanta), was founder of the Atlanta Boys' Club, and served as president of the Atlanta Athletic Club.

Heinz was one of the first Kiwanians in Georgia, and was involved in Kiwanis International in the formative years of our organization. He served three years as Treasurer and Vice President before becoming President of Kiwanis International in 1927-28 (first International Officer from the GA District). Heinz was also part of the formation of the Kiwanis International Foundation, serving as the Foundation's first president in 1941, a position he held until his murder in 1943. Heinz, however, never served as Governor of the Georgia District.

Appropriately, the first Key Club was formed during Heinz's year as International President in Sacramento, California. Further strengthening Kiwanis' support of youth work was the publicity given to this Key Club, thus laying the groundwork for many additional clubs to open in the future.

He brought to Kiwanis both his leadership qualities and vibrant personality. He had a strong determination to always look out for the best interest of Kiwanis. Although intensely interested in all aspects of Kiwanis service, his personal goal was to help children with limited opportunities achieve their potential.
