**The Governor’s Message**

Juanita Edwards  
Governor Georgia Kiwanis District  
 jedwards1467@gmail.com

We are just a few days away from leaving for Vegas and the Kiwanis International Convention. I am very excited to represent our District at this great gathering of Kiwanians from all over the world.

If you have not registered for our District Convention, you need to do so now. You will miss a great event if you are not in Jekyll August 17-19, 2018 for the fun, fellowship and good times that are planned. Remember that if you are a new Kiwanian (meaning you joined between October 1, 2017 and June 1, 2018) your registration is free. Check this out on the District website – gakiwansisdistrict.org. We will have our General Session on Saturday morning where we will elect your District Officers for the 2018-19 year and conduct other business for the District. Be sure you are getting your delegates their proper credentials. Your 2018-19 Training Chair, Mike Sullivan, is planning some great training for Friday afternoon and Saturday.

We now have six new clubs in the GA District for this Kiwanis year with the Kiwanis Club of Dahlonega/Lumpkin County being organized on June 4th. A special thanks to Vice Governor Andy Pipkin for all of his hours of work on making this club happen. We now need four more new clubs to meet our goal of ten. If your club has a potential site for a new club and are willing to be a sponsor, please let me hear from you and we will put a team together to make it happen. You can call me at 706-270-1467 or email me at jedwards1467@gmail.com.

I had a great time at the Charter events for Lithonia/Stonecrest and Pooler. Each new club had good community support for their event and the members truly were excited to be of service to their community. I appreciate Katrina Baranko and Dewey Smith for their continued commitment to growth in our District and their support in club building and strengthening.

Thanks for allowing me to serve you and the District as your Governor.

**Treasurer and Directors have you completed GOB Training?**

8. Review how your club is doing towards being Distinguished.
9. Sent in your Club District Delegate Form to the District Office.
10. Offered to assist the incoming officers with the Club President’s training conference for officers and appointees.
11. Made plans for annual review or audit of books.

If you have already completed all of the above, you are to be commended. See you in Jekyll Island!
I am encouraged from the amount of Clubs contacting me in regards to growing their membership. It gives me hope that all of our Clubs will have a membership committee and chair that will work on a plan to recruit and initiate that plan throughout the year. It is time to energize your members, get them involved in this fun project. What is better than gaining new members to assist your club in your fundraising and community projects, give some new ideas for the club to try and the camaraderie of having new people to know?

For the most part, it is not hard to find the reason a club isn’t growing. Apathy, poor leadership and uninteresting meetings are the key factors. No monthly reports, no projects, few fundraising events and no recruiting leads to membership disenchantment.

In our society today, all of us are busy but wanting to give some of our valuable time to volunteer in our communities. If a member feels as if they are wasting their time due to inactivity by the club, they will seek other means of serving their community.

Let me say that there are some under charter strength clubs that are doing great things for their community BUT think of all it can do with more members, fresh new members willing to expand the clubs footprint into their community. Also remember that these clubs all started with 15 or more members when they chartered and now some are down to single digits.

The very first step in recruiting new members is to evaluate your club and see how “healthy” it is. Make sure that you are following Ki and Ga District bylaws and policies and procedures. Evaluate if the time and place for your meeting fits the needs of current and future members.

Are you dues set at a price that most of your community can afford. Is the secretary filling the monthly reports, there are 30 clubs who have yet to file a report for this year and about the same that are missing 2 or more.

Have the Board of Directors keep a close account on members paying dues or coming to meetings. Have a membership committee member call all those who have missed a meeting and let them know that you missed them and that they are valued.

Do interclub visits, especially with your newer members. It is a proven fact that IF you recruit, new members will come.

If your club wants ideas about how to recruit, please contact me and I will be glad to assist.

Let us remember that if we “don’t have a dream we cannot have a dream come true.” The success of our club is measured by the success of our community service; let us therefore resolve to improve our service-one child, and one community at a time.

Coming together is a beginning, working together is progress, staying together is success. Our main focus will be to continue to create a positive influence not only in the immediate community, but wherever it is needed.

Thomas H LeGall
President.
Can we talk? I would love for you to experience the awesomeness of what Key Leader is.

We gather together students from around the state for a weekend they will never forget. Students learn about service leadership from a Kiwanis-trained Lead Facilitator. During the weekend, they participate in classroom experiences and then break out into “neighborhoods” to apply what was just learned into activities designed to reinforce the message just shared.

The weekend focuses on five essential principles:

• Personal Integrity – Doing the right thing
• Personal Growth – Developing in mind, body, and spirit
• Respect – Showing consideration for self, others, and property
• Building Community – Developing relationships to achieve positive goals
• Pursuit of Excellence – Expecting and achieving the best

Students leave with a new sense of self-worth which helps them to be forces for change in their schools, communities, and world. They come back with amazing new friends from around the state who can help them achieve some of the goals they have set for themselves.

Here are a few comments from students this year when asked what they liked about the weekend.

“I liked meeting new people and finding out ways to better myself.”

“Everything! It was awesome.”

“How Mr. Brian helped us to be good leaders.”

Key Leader is a Key Club weekend leadership experience, but you don’t have to be in Key Club to participate. In fact, this is a great way to involve students who may have never even heard of Key Club. I would encourage you to invite students from your local Boys and Girls Clubs, YM-CAs, churches, and high schools that may not have a Key Club. This has been a way students have returned to their school to begin a new Key Club. It is also an awesome way to reach new parents who are not yet members of Kiwanis.

Our next event is scheduled for Friday-Sunday, March 22-24, 2019 at the Georgia FFA/FCCLA Center in Covington, GA. Registration will open earlier this year, likely in December. Stay tuned for further details.

The following challenges were presented to the 2017-18 LTGs at the beginning of their term. Who has met 3 or more of these? No later than 1 Aug. 2018, please send your information to hholley2@comcast.net or dheholley2@gmail.com

Kiwanis Hosts Scott Beauty Pageant

The 2018 Ms. Scott Health & Rehab beauty pageant was held on Monday, April 30, 2018 at 6:30 p.m. Sponsored by the Swainsboro Kiwanis Club, the pageant was held in the Community Room of Scott Nursing Home. The room was beautifully decorated with a floral arch and balloons hanging from the ceiling.

The pageant was begun with Becky Browning giving the invocation and Jim Clapham, Kiwanian President welcomed everyone and then introduced Bobby Seamans, emcee for the pageant. Kiwanian Frank Patrick, escorted the 2017 Queen, 83 year old Marion Dixon into the room. She observed the pageant from the arch.

The parade of contestants were escorted by Swainsboro Kiwanians. As each of the ten (10) contestants was escorted in, the emcee introduced them and gave a brief bio of them. After all was introduced they were asked questions and interviewed by Seamans. Ranging age from 60-89, interviews were quite lively. Each contestant was judged by the State Nursing Home score sheets. Kim Page entertained with special music during intermission. The 2017 Queen was interviewed at this time also. She represented Scott Nursing Home in the State pageant and was one of the top winners.

Crowned as 2018 Ms. Scott Health & Rehab was 89 year old Maggie Mimbns. Runners up were: 1st - Gayla Douglas; 2nd - Marilyn Thigpen; 3rd - Flossie McCowan; 4th - Peggy Mills. The closing remarks were made by Rosa Love, Scott Nursing Home Activity Director.

Escorts were: Gary Couse, Pepper Fields, Tim Goodman, Frank Patrick, Bobby Peacock, and Joe Ware. Judges were: Wanda Ellis, Cheryl Goodhan and Cindy Ware. Kiwanian, Kay Peacock served as chair for this event. Everyone enjoyed a beautiful reception following the pageant.

A great variety of finger foods and punch was served.

Kiwanis Hosts Pre-K Fun Day

The Kiwanis Club of Swainsboro conducted its annual Swainsboro Pre-K Fun Day on Thursday, April 26th, 6 members of the Club met at Frank Patricks home and made and bagged over 300 bags of cotton candy for the next day’s festivities.

Metro Atlanta Kiwanis Club

In case you missed it, or haven’t heard, the Metro Atlanta Club Annual Prayer Breakfast held on June 2, 2018 at Christian Fellowship Church in College Park, GA., was the talk of the town. Those who attended the affair were overwhelmed as “star studded youth” delivered powerful prayers, words of inspiration, dance of praise, songs of worship and a dynamic message from eleven year, Isaiah Clark.

The theme, “A Little Child Shall Lead Them” (taken from Isaiah 11:6), was indeed just that. The youth led the way and caused those in attendance to stand to their feet and nod their heads as if to say “Amen”. The prayers were on point too – prayers for all people of the world, peace in our country, protection from violence and love for one another.

Scholarship Chair, Lillie Robbins, presented awards to three amazing and focused youth with GPAs from 3.7 to 4.12! Simply amazing! The Club’s Annual Prayer Breakfast culminated with presentations to the “youth who led” and a summary of Project Eliminate given by John Holley and offered an opportunity to donate.

The buzz is out! People said, “This is the best one ever, and I can’t wait until next year.”

We send out a special thank you to Ms. Geri Harris, Programs Chair, for the creation of an inspired Annual Prayer Breakfast.

He also enjoys reading, travel and of course, community service.

Community Service Projects

This is the time of the year when all our clubs are doing their service projects. We are in the early part of summer, and I hope everyone had a fantastic spring. Remember, service is the most important part of Kiwanis servicing the children of our community. This is also the golden opportunity to strengthen our club membership while serving our community. Here are some suggestions when meeting new prospects to join your club.

- Always have a brochure to give to a new prospect.
- Make sure the prospect is having a great time, and answer any questions the prospect has about KIWANIS.
- Always have applications available to give to the prospect.
- Remember to ask the prospect for contact information for someone in the club to be able to follow up with the prospect.
- DO NOT BE AFRAID TO ASK THE PROSPECT TO JOIN YOUR CLUB.

What will your legacy be as we come to the close of The Eliminate Project Campaign? As an individual, will you be a Lead Donor ($100K contribution), a Major Gift Donor ($25K contribution), a Walter Zeller Fellow ($1,250 contribution), an Impact Donor ($300-$625 contributions), a Fair-Share Contributor ($474 contribution), or will you have made a pledge at all? As a club, will you be a $100K Club, a Model Club ($750 per member average), a Silver Club ($500 per member average), a Bronze Club ($350 per member average), or will your club have made a pledge at all?

The answers to the questions above will be revealed at the end of 2020. What this means is that you still have time to define what your legacy will be. To date, 52 clubs in the Georgia District have made pledges, defining their legacies. Although 90% of the clubs have made contributions to the Campaign, there is a need for all clubs to make a pledge; so we can determine where the District stands in fulfilling its commitment. The legacy of the District will be determined by commitments made by members and clubs.

I am pleased to report that 21 of the 52 clubs that have made pledges have fulfilled their pledges. On 31 May 2018, the Kiwanis Club of Statesboro became the latest club to fulfill its Model Club pledge, with total contributions of $112,250. On behalf of the Georgia District, Kiwanis International, and the Children of the World, we say thank you to the Kiwanis Club of Statesboro for a job well done.

There are still good news stories to be told as we continue to march toward a world that will be free of maternal and neonatal tetanus. Progress has been tremendous, but we still have a ways to go. No, the Campaign has not ended! A baby is still dying every 15 minutes from this dreadful disease. As Kiwanians, we know we can do this; because we have done it before with Iodine Deficiency Disorder (IDD). The children of the World are depending on us. We cannot let them down!

So, to our Georgia Eliminate Leadership Team and to the Georgia Kiwanis Leadership Team, we need your help to continue to put The Eliminate Project out front as a priority. Let’s keep asking members and clubs to make pledges. We still have until the end of 2020 to fulfill the pledges. We are opening new clubs. Make sure they have an opportunity to make a pledge to The Campaign. If We Think We Can, We Can!

Finally, here is an update on our progress as of April 30, 2018. The Eliminate Project has collected $78,660,913 in cash. This is 71% of our cash fundraising goal. The Georgia District has cash and pledges totaling $2,148,542. This means we still have $1,650,709 to raise by the end of 2020. Let our legacy be that the Mighty Georgia District fulfilled its pledge!

Amendment to the Georgia District Bylaws
Submitted by the 2017-2018 Board

Amendment: To open the criteria for eligibility to be a candidate for Lt. Governor, Kiwanis International only requires that a Lt. Governor be a member of a club in the division that they will serve.

Many Divisions struggle with finding a Lt. Governor. Many divisions allow for Lt. Governors to serve more than one time or they have a member take the position who does not want to be Lt. Governor and as a result they do not commit to their role which the District depends on for communications, strengthening divisions in overall leadership.

The amendment would allow for additional club officers and directors to be eligible for the position of Lt. Governor, broadening the pool of candidates in a positive way.

ARTICLE III. OFFICERS

Section 2. Each district officer shall be an active member of a club of the district. The Governor, Governor-Elect, and Vice-Governor shall each have completed a full term as a Lieutenant Governor in the District and a full term as a District Committee Chair of a District. The Governor, Governor-Elect, Vice-Governor, and District Executive Director shall have and maintain a clear criminal history background check conducted and verified by Kiwanis International. Each Lieutenant Governor shall be a member of a club in the division from which elected; shall have served a full term as a club president, or club treasurer, or at least one (1) year of their term as director, and shall have and maintain a clear criminal history background check conducted and verified by Kiwanis International. the district via an approved service provider selected by the district board.
